Beyond the Core Training Days, there is a wide range of Optional Training days that curates should choose from with their TIs as best suits their individual needs - see full calendar

Incumbent focus curates are expected to do at least nine optional training days by the end of curacy (c. 3 a year)

Associate-focus curates are expected to do at least six optional training days by the end of curacy (c. 2 a year)

NB Most incumbent-focus curates will want to come to the **Moving On day on 23 May** run by 3D coaching (although not formally part of IME 2, it offers brilliant advice on applications, interviews and the whole process of finding your first post of responsibility)
